INFORMATION LETTER

On Europe Day in Ukraine, we invite you to take part in the
IX International scientific and practical symposium
"Conceptual problems of development of modern humanitarian
and applied science in the context of European integration",
which will be held on May 09, 2025
at the King Danylo University.

The Purpose of the Symposium:

- **Unifying scholars** from various humanities and applied sciences to discuss current issues and challenges in integrating into the European scientific and educational space.
- **Exchanging experiences and ideas** on implementing innovative approaches in scientific research and practical activities.
- **Defining the conceptual foundations** for the development of humanities and applied sciences in the context of globalization, digitalization, and integration processes.
- **Seeking solutions** to enhance the efficiency of interaction between science, education, and practice during the adaptation to European standards.

The symposium aims to create a platform for interdisciplinary dialogue, foster the generation of new scientific ideas, and strengthen international collaboration.

The Event Will Be of Interest To:

Everyone engaged in research, innovation implementation, and the development of science in the context of European integration.

Participants Invited to the Symposium:

- **Scholars** – representatives of various scientific fields conducting research in humanities and applied sciences.
- **Academic and teaching staff** – specialists implementing scientific achievements into the educational process.
- **Experts in international cooperation** – professionals with experience in European integration and the development of scientific and educational ties with European institutions.
- **Practitioners** – representatives of industry, business, IT, architecture, law, and other fields who apply scientific research results in their professional and/or official activities.
- **Representatives of international organizations** – participants in cooperation programs in the fields of science and education.

The Symposium Details:

The symposium will start at **10:00 AM** at the following address: **Ivano-Frankivsk, 35 Yevhen Konovalts Street, King Danylo University.**

Format: Offline and online participation.

Working languages: Ukrainian, English.

Registration and Abstract Submission:

To participate in the symposium, please register by **May 1, 2025 (inclusive)** via the following link: <https://forms.gle/bqV8dCdWpo8MfgJv6>. If desired, you may attach your abstract in the registration form (the file should be named as follows: Ivanenko_Abstract).

The Organizing Committee reserves the right to edit the abstracts and verify them for compliance with academic integrity standards.

Symposium Materials:

An **electronic collection of symposium materials** will be prepared by **June 1, 2025**, and sent to participants at the email address provided during registration.

Participation and Expenses:

Participation in the symposium is **free of charge**. All expenses related to travel, accommodation, and meals are covered by the participants themselves or their sponsoring organizations.

Online Participation:

Participants joining online will receive a link to access the event via email before the symposium begins.

Contact Person:

Ivanna Horyacha – Assistant to the Vice-Rector for Research (+380687264675).

THEMATIC DIRECTIONS OF THE SYMPOSIUM

1. Creative Industries: Art, Design, Architecture, Construction.

- Modern trends and innovations in pop and vocal art.
- Design as a means of creative communication and artistic expression.
- Architecture and urbanism: space, aesthetics, ecology.
- Construction and advanced technologies: sustainability, energy efficiency, functionality.
- Cultural heritage and art in the context of modern sociocultural transformations.

2. Law and Security: Modern Trends and Innovations.

- Digital technologies and artificial intelligence in law enforcement and legal practice.
- Legal science and education: current challenges, trends, and development prospects.
- Innovative approaches and technologies in law enforcement.

3. Software Engineering: Modern Information Technologies.

- Application of AI in software engineering.
- Modern programming technologies.
- Prospects for the development of information technologies.

4. Communication, Consciousness, and Text: Interdisciplinary Aspects of Psychology, Philology, and Journalism.

- Psychology of communication: mechanisms of perception, influence, and persuasion.
- Language and text in an interdisciplinary dimension: from classical theories to modern studies.
- Journalism and ORCID (line spacing – 1, italic; author's name and surname – bold font).
- Media psychology and information security: the impact of content on consciousness and behaviour.

5. Business, Finance, and Hospitality: Strategic Directions for Development.

- Financial strategy in the digital environment and challenges.
- Taxation in the digital environment.
- Models of strategic business management.
- Marketing in the modern paradigm of digital transformation.
- Sustainable development and social responsibility in entrepreneurship.
- Hospitality and tourism: service quality and sustainable development.

Within the framework of the symposium, separate seminars are planned on the following topics:

- International Grants: Search, Submission, and Implementation.
- The Higher Education Institutions as Innovation Engines for place-based climate solutions (Climate Engine), EIT HEI Initiative.

REQUIREMENTS FOR ABSTRACT FORMATTING

1. The materials should be prepared in Ukrainian or English.
2. The abstract should be typed in Microsoft Word 2003, XP on 210x297 mm paper, with the following margins (in mm): top – 20, bottom – 20, left – 20, right – 20.
3. Authors must specify the Universal Decimal Classification (UDC) under which the scientific work has been prepared. It is recommended to use the UDC classifier. The UDC should be presented as follows: Times New Roman font, size 14, bold, no paragraph indentation, alignment – left.
4. In the upper right corner (without abbreviations): author's name and surname, their position, academic degree, academic title, the full name of the institution they are affiliated with, city, country, and ORCID (line spacing – 1, italic; author's name and surname – bold font).
5. On the next line, specify the title of the abstract in uppercase letters (Times New Roman font, bold, size 14).
6. After one line, begin the main text of the abstract (Times New Roman font, size 14, regular, line spacing – 1.5, paragraph indent – 1.25).
7. Tables should be concise, clear, and contain only the essential information necessary to illustrate the essence of the article.
8. The table title should be formatted as: Times New Roman, size 14, no paragraph indentation, bold, aligned center.
9. Text in the table: Times New Roman, size 12, regular, line spacing – 1, no paragraph indentation, aligned left. Example:

Table 1

Ranking of Regions of Ukraine by International Attractiveness

8. **Figure captions:** Times New Roman, font size 12, bold, no paragraph indentation, centered alignment. Example:

Fig. 1 Dynamics of Direct Foreign Investment Changes in Ukraine in 2020–2023.

9. Figures or illustrations should be placed within the main text of the article (with text wrapping both above and below). Figures or illustrations are numbered sequentially with Arabic numerals. References to them in the text are given in parentheses. For example: ("Fig. 1." or "Ill.1"). Figures or illustrations must be of high quality, suitable for reproduction and printing.

10. List of references – at the end of the text under the title "List of References" (font – bold), following the National Standard of Ukraine DSTU 8302:2015, developed in 2015.

11. In-text citations should be marked with square brackets, indicating the reference number in the list following the page number(s) (e.g., [7, p. 16], [2, pp. 4–8]).

12. A non-breaking space should be used by pressing Ctrl + Shift + Enter in cases that require word abbreviations (e.g., units of measure, page numbers, settlements, etc.). Clearly differentiate between a hyphen (-) and an en dash (–).

13. Text length: up to 4 pages, excluding the list of references.

14. Materials that do not meet the requirements or are submitted after the established deadline will not be considered.

15. The use of sources published in Russian in any country, as well as sources in other languages published in Russia and Belarus (with justified exceptions), is not recommended.
